## Black History Month Celebration

The PATH School is excited to celebrate Black History Month during the month of February. Throughout the month, we have been sharing famous people and events during our morning announcements as well as on our social media sites, and we are so excited to bring our culminating event to you on Friday, February 24, 2023, from 5:30-7:00 in The PATH School's gymnasium. Our scholars have been preparing for weeks and are excited to share what they've been doing with you.

Please come and celebrate Black History Month with us. We'll have performances, activities, food and more.

## Middle of Year Assessments

Our scholars continue to work extremely hard to grow academically. At the end of January and beginning of February, we took our middle of year assessments in iReady. These assessments provide us an opportunity to see how much progress scholars have made from the beginning of year to now, and scholars our scholars are growing.

Our 4th-8th grade scholars demonstrated strong growth in reading as more than 41% met or exceeded their growth projection. Similarly, in mathematics, 30% of them met or exceeded their growth projection. In kindergarten through 3rd grade, 15% of scholars met or exceed their growth projection in reading and 11% of them met or exceeded their growth projection in mathematics.

We've got a lot of school left. Let's make sure scholars are attending school daily, attending tutoring, completing their homework and reading as often as possible.

## CALENDAR

				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31
